LEGISLATURE SEEKS COLLEGE STUDENTS FOR INTERN POSITIONS APPLICATION DEADLINE OCTOBER 15

PIERRE – The South Dakota Legislature is looking for twenty-two ambitious college or university students to serve as legislative interns for the 2015 Legislative Session. The internship positions are open to all college and university students. Applications for the intern positions must be filed with the Legislative Research Council in Pierre by October 15, 2014.

The Legislative Research Council's internship program is designed so students can achieve a greater understanding of the government process, as well as provide assistance to the legislative branch of government. As interns, students will work with the legislative leadership and assist them with bill briefs, constituent services, and other legislative tasks. The students will also earn valuable college credits for their internship and receive up to five thousand dollars in compensation for their services. Additional information regarding the program can be found at the Legislative Research Council's web site, http://legis.sd.gov/Students_Page/Intern/Default.aspx. There are also legislative intern coordinators located on each campus to assist the student applicants.

Interested students should contact Fred Baatz, Principal Research Analyst, Legislative Research Council, 500 East Capitol, Pierre, SD 57501, (605) 773-3251, or email him at fred.baatz@state.sd.us.
